Re: Cannons Engineering Sites

Dear Mr. Roscoe:

In accordance with the letter of E. Michael Thomas, Esquire dated September 2, 1986 and my conversation with Mr. Thomas earlier this week, I hereby submit a Response to Information Request and accompanying Affidavit on behalf of BASF Corporation. BASF will supplement this Response to the extent that any new or additional information is obtained.

Very truly yours,

David P. Schneider
Attorney

BASF Systems Corporation

24

- V. Various Accounting and Environmental records were reviewed both at BASF Corporation headquarters in Parsippany, N.J. and at its manufacturing facility located in Bedford, Massachusetts. No documents were discovered which relate to the persons listed in Attachment A and the disposal sites listed in Attachment B to the Request for Information. However, in accordance with BASF's record retention policy, most records of this nature predating 1980 have been destroyed.
- VI. BASF possesses no information , documentary or otherwise, concerning any waste transportation or disposal transactions with any of the persons listed in Attachment A.
- VII. BASF possesses no information, documentary or otherwise, concerning the presence of any BASF waste chemical substance at any of the sites listed in Attachment B.

AFFIDAVIT

State of New Jersey

County of Morris

DAVID P. SCHNEIDER, of full age, being duly sworn according to law, upon his oath deposes and says:

I am an attorney employed by BASF Corporation and am responsible for preparing BASF's response to USEPA's Request for Information regarding the Cannons Engineering Corporation site in Bridgewater, Massachusetts.

I hereby certify that a diligent record search has been completed by BASF and that a diligent interviewing process has been conducted with former and present employees who have knowledge of operations, chemical use, and waste disposal practices of the respondent between 1974 and the present. The information contained in BASF Corporation's Response was obtained from a review of BASF records and through consultations with the employees identified in Section IV of the Response and is true and accurate to the best of my knowledge.

David P. Schneider
